## A GENERAL INFORMATION AND PRE-TOURNAMENT PLANNING

### 1 *Interprovincial (Jarvis/Kaplan Cup)*

1.1 The Interprovincial Tournament (referred to hereafter as the Tournament) is the annual South African squash Interprovincial Team Tournament.

#### 1.2 **Men's Sections:**

1.1.2 There are 4 Men's sections, each of which plays for a team trophy:

1.1.2.1 A Section: Jarvis Cup;

1.1.2.2 B Section: XXV Trophy;

1.1.2.3 C Section: Banana Bowl;

1.1.2.4 D Section: Daisy Cup.

#### 1.3 **Women's Sections:**

1.3.1 There are 3 Women's sections, each of which plays for a team trophy:

1.3.1.1 A Section: Kaplan Cup;

1.3.1.2 B Section: Ransom Trophy;

1.3.1.3 C Section: Silver Trophy<sup>1</sup>.

### 2 **Squash SA**

2.1 The tournament is, and at all times shall remain, the property of Squash SA (SSA), arranged and played under the auspices of SSA, notwithstanding that the actual organisation thereof is done each year by an Association, affiliate or other duly authorised organisation, agent or individual, on behalf of SSA.

### 3 **Provincial Eligibility**

3.1 Associations regarded as the "major" Associations (viz. Border, Joburg Squash, Easterns, Eastern Province, Free State, KwaZulu-Natal, Midlands, Northerns and Western Province) may enter.

3.2 South African Country Districts (SACD)<sup>2</sup> select men's and women's teams at their annual Interprovincial Tournament.

<sup>1</sup> **Note:** In recent years there has not been a C Section due to insufficient entries.

<sup>2</sup> As decided by SACD from time to time

- 3.3 The SSA Board may use its discretion to allow other invitational teams to participate should there be space (e.g. Zimbabwe, Namibia).
- 3.4 Should an Invitational team participate, it may not win its section. The **SA Provincial Team** with the most points shall be considered the winner of the section and be awarded the trophy and gain promotion to the section above for the next year's Tournament. But invitational team members may win individual awards.

#### **4 Team Entitlements**

- 4.1 SSA shall write to each Association by **1 February** each year advising them of the number of teams that they are entitled to enter and the sections in which they are entitled to play having regard to the automatic promotion/relegation rule.

#### **5 Confirmation of Entry by each Association**

- 5.1 Each Association must confirm in writing to SSA by not later than **31 March** whether it wishes to take up its entitlement and/or add or reduce its number of teams. Failure to reply by **31 March** will result in an Association forfeiting its entitlement for that year's tournament.
- 5.2 SSA will send the complete list of entries to the Host Association.

#### **6 Section Composition, Rules for Promotion/Relegation, Placement of New Teams**

Each year the teams in each section shall be the same as the preceding year subject to:

- 6.1 Automatic Promotion or Relegation<sup>3</sup> where the winning team of a section is promoted to the section above and the team coming last is relegated to the section below; or
- 6.2 Where an Association, by notice in writing, informs SSA by **31 March** that:
- 6.2.1 It no longer wishes to enter one or more teams; or
- 6.2.2 It wishes to enter a new team (Association to provide motivation); or

<sup>3</sup> The promotion/relegation rule did not apply to the 2020 Growthpoint Interprovincial

- 6.2.3 Based on its objective assessment, it is of the opinion that its team/s will not be strong enough to compete in that section or sections and therefore request to play in the **next lower section(s)** (with the exception if a team makes this same choice for two (2) or more consecutive years, they will be obliged to play in the higher section); and/or
- 6.2.4 Based on their objective assessment and supported by factual motivation it believes that its team/s will be strong enough to compete in the **next higher section(s)**.
- 6.3 No Association shall be entitled to field more than 2 teams in any one section.
- 6.4 No Association shall be entitled to field more than 4 teams in either the men's or women's sections.
- 6.5 If the automatic promotion/relegation rule results in contravention of **Clauses 6.3 or 6.4** above, SSA will, at its discretion:
- 6.5.1 Invite a lower placed team to be promoted; or
- 6.5.2 Request the lower ranked team of that Association to move down a section; or
- 6.5.3 Make a decision to maintain the standard of the sections in the spirit of the Tournament.
- 6.6 The team with the most matches won in the round robin shall be considered the winner of the section and be awarded the trophy and gain promotion to the section above for the next year's tournament.
- 6.7 The team which finishes last in the Men's A, B and C sections shall be relegated to the section below.
- 6.8 The SSA selectors will decide on any requests received and present their decision to the SSA Board for ratification.

### 16.3 Submission of Team Orders to SSA

16.3.1 Team orders must be submitted to SSA by each Association three (3) weeks prior to the start of The Tournament or no later than 18 June, whichever is the earlier.

16.3.2 An Association shall nominate five (5) players per team followed by the available reserves in their correct order in relation to the respective teams.

16.3.3 Should a player withdraw from a side before the start of the tournament, then all players below must move up.

16.3.4 An Association with two (2) teams in the same section may submit teams either in Ladder Order or with Split Strength.

16.3.4.1 **Ladder Order:** Team A with players 1-5 and Team B with players 6-10. If one of the 1-5 players withdraws then player 6 moves into the A team. Player 11 then would move to 5 in the B team.

16.3.4.2 **Split Strength:** An Association may split strength between Team A and Team B. However, it must then have 2 reserves, players 11 and 12, either of whom may move into Team A or Team B. Once a reserve has played in one team he/she may not play in the other team.

16.3.5 All participating provincial leagues and tournament results must be submitted to SportyHQ on an ongoing basis in the format required so that an up-to-date ranking can be generated and made available for the purposes of ranking players and seeding teams.

16.3.6 The latest ranking as at 25 June or 14 days prior to the Tournament will be used to determine the top 20 players in each event. This will be managed by the respective SSA Selectors.

16.3.7 The latest national ranking relative to the tournament dates for the top 20 men and women will be used and SSA will change team orders accordingly if required.

16.3.8 Team orders will be circulated to the Associations 10 days prior to the start of the Tournament or by 21 June whichever is the earlier.

16.3.8.1 Any objections to this order must be sent with the relevant head-to-head results and motivation to SSA in writing within 48 hours, of the team orders being sent out.

16.3.8.2 SSA will then make a decision and circulate the final order to the Associations and to the Host Association.

16.3.9 Once a decision has been made by the National Selectors and ratified by the Board of SSA, this issue cannot be disputed nor brought to the Disputes Committee at the tournament.

#### 16.4 Team Order and Order of Play

16.4.1 The order of the team confirmed by SSA in **Clause 16.3** (above) shall be strictly adhered to and no variation thereof shall be permitted.

16.4.2 A player shall not represent his/her Association in more than one team or section on the same day.

16.4.3 In the event of any player not playing a particular match for any reason, then subject to **Clause 16.4.1** all players below him/her shall move up in accordance with the order in which they were nominated. In this event the number 5 position shall be filled by the highest ranked available player from the next lower team, taking into consideration **Clause 16.4.2**.

16.4.4 It shall be considered contrary to the spirit of the Tournament for any player who is injured or ill to play a match unless, despite such injury or illness, he/she is able to and does play to a standard that can be reasonably expected of him/her and is able to complete the match. The Host Association may require such player to provide a medical certificate to confirm his/her ability to play safely prior to the match taking place. The player should either provide a doctor's certificate or indemnify SSA, the organising body, as a result of his/her participation.

16.4.5 If in the opinion of the Disputes Committee any player has breached **Clause 16.4.4** in order to defeat **Clause 16.4.3** then the Disputes Committee shall, after taking all relevant factors into account, decide if any penalty should be imposed in order to achieve a result that in their opinion would be fair.

16.4.6 A team may play short, forfeiting position number 5 if said team was unable to draw on reserves from below as scheduled team ties had been completed. A doctor's certificate must be produced, and notification must be given to the Tournament Director and the opposing team before completion of the scheduled tie.
